

April 5, 2011

Dear Seniors:

Due to regulatory changes, graduating seniors may not take Summer A classes at SJRSC. If you are a Dual Enrollment student and want to take Summer B classes, you must first go online and update your application. You may then register for Summer B classes on May 12th. If you are not a Dual Enrollment student you must apply to SJRSC through their Admissions office. Remember, Bright Futures does not pay for summer classes.

Ms. Wendy
