## UPDATES TO DRESS CODE POLICY

Dear Parents,

With cooler weather approaching we need to address a couple of issues. First, students may wear long sleeve polo shirts or they may wear a long sleeve shirt underneath their polo shirt. The undershirt must also be one of the school approved **solid colors** (maroon, gray, white, royal blue and navy blue).

Second, jackets are to be solid colors (no specific color is required). Jackets may have a brand logo on the breastplate but it cannot have writing or emblems anywhere else on the jacket. The size of the logo should fall in a range of 1" - 5" (vertical and/or horizontal).

Thank you,  
Lester Jenkins
