

**Peniel Baptist Academy**  
**"Educating PK2-12th Grade Students to the Glory of God"**

**2009-2010 HONORS COURSES**

The requirements for acceptance into an honors course are as follows:

1. Students must currently have and continue to maintain a 2.0 cumulative GPA each nine-weeks. A cumulative GPA includes all classes taken (standard classes, honors courses, electives, joint enrollment, etc.). Receiving an "F" in a nine-weeks in any class will result in automatic ineligibility from the honors program until the next school year.
2. Students must have earned an "A" or "B" as the final grade in the course most recently completed. For example: If a student wanted to take English II they must have earned a final grade of "B" or higher in English I.
3. If a student earned an "A", only parents must sign the honors course form giving permission for their child to take the honors course.
4. If a student earned a "B", parents AND the student's teacher must sign the honors course form stating that they believe the student can successfully complete honors coursework.
5. Once completed, students must sign the bottom of the honors course form and turn it in to Mrs. Durden.
6. The Administration makes the final decision on ALL honors placement.
7. If a student wishes to drop out of an honors course once it is in progress, the parent(s), student and the teacher must sign a drop form and the student must return it to Mrs. Durden. Students will not be dropped from the course until this is completed. Students will not receive honors credit for a course unless they have completed a full semester's work (first/second nine-weeks or third/forth nine-weeks).

Honors Courses	Final Grade in Previous Coursework	Parents Signature (A's & B's)	Teacher Signature (B's)	ADMIN (ALL)
English I Honors	English 8: _____			
English II Honors	English I: _____
