PBA Student/Parent Athletic Commitment Form

1. Academic eligibility rules for all sports, offices, and other extracurricular activities are: students must maintain a "C" average each nine-weeks. Receiving an "F" in a nine-weeks (not a semester) will result in automatic ineligibility from any sport, office, club or other extracurricular activity. Students may not practice with teams, travel with teams, attend school events (athletic or otherwise) or attend meetings while on probation. Eligibility will be determined the day the report cards are issued. Students may regain their eligibility if they meet the aforementioned requirements on the following report card. (Nine-weeks grades are used to evaluate eligibility, not semester averages.) Students lose any and all positions when they become ineligible (team captain, starting players, club officer, etc.) and do not automatically gain the position back if they become eligible again. Students who are on probation for a disciplinary incident or are on academic probation may not participate in any sport, office, club or other extracurricular activity.
2. All team players must be at school at least ½ day the day of a game to participate in that day's game (min. of 8:00-11:15, or 11:15-2:45). Coach needs to be advised of your absence as soon as possible. This will be closely monitored for compliance. Team members are expected and encouraged to attend games even when they are personally ineligible to compete. Your presence boosts morale and team spirit.
3. Students in the 6th-12th grade are eligible to participate.
4. Students are selected on a try-out basis.
5. Student must follow the school dress code at all times and at all events.
6. The Athletic Activity Fee, per student, per sport, is due BEFORE a student may participate.
7. Uniforms are school owned and will be checked out for use and should be returned at the season's end. Students will be required to purchase some uniform items. All athletes are responsible for returning any school owned uniforms at the end of the season. If uniforms are not returned, a charge for the cost of the uniform will be applied to the student's school account. Report cards will not be given until the account is paid.
9. All team players are required to have a FHSAA Physical and Liability Certification on file with the school office BEFORE they their first practice. All physicals must have been done within the last 12 months.
10. Behavior and attitude should be Christ-like. This includes traveling and the attendance at the game. **Any student in ISS, on probation, or suspended from school is ineligible to play until the terms or the probation period are over or it may be extended until the coach deems it necessary.**
11. All team players must ride with the team to the game sites unless otherwise approved by the coach. Players may ride home with their parents. If a player is riding home with someone other than a their parent, they must have written parental permission. Verbal permission is not acceptable.
12. All athletes will participate in fundraisers for their sport. Our athletic program is self-supporting and requires the athlete's participation. Athletes who do not participate in the fundraising will be responsible for the money that would have been raised had the athlete met his goal.
13. A gate fee may be charged at home or away games according to IAW FHSAA rules.
14. Athletes must be a sophomore, junior, or senior to receive a letter in a sport. How an athlete letters depends upon the sport and is completely up to the discretion of the head coach.
15. Although the tempo of athletic competition often lends itself to becoming emotionally involved, we do not tolerate un-sportsmanlike conduct from players, cheerleaders, or spectators at either home or away games. **Respect is to be shown at all times to game officials, opponents, and persons from schools against whom we compete.** Please do not "boo" or ridicule the opposing team or the officials because of a call they make or do not make. We do allow and encourage spectators to cheer and shout encouragement to the teams. Students and parents should also be appropriately and modestly dressed.
15. I understand that as an athlete I am making a commitment to my school and my team. I AM REQUIRED TO ATTEND ALL PRACTICES AND GAMES UNLESS PRIOR APPROVAL FOR THE ABSENCE IS GIVEN BY THE COACH OR IF A FAMILY EMERGENCY ARISES. I will conduct myself as an emissary of Christ at all times. I understand that I am not just playing a game but am on a mission for spreading the word of Christ through my actions and words on the field of play.
